For new pool and spa designs, they give your designer the freedom to add dynamic lighting in places never before possible. Let your imagination take you to brighter places!

PENTAIR.COM

MICROBRITE™ COLOR AND WHITE LED LIGHT

The brightest, most compact pool and spa LED light available.

Whether you're upgrading an older lighting system or building a new pool or spa, there's no better choice than MicroBrite Color and White LED Lights.

KEY FEATURES

Brilliant LED excitement in a small package

The brightest ultra-compact light available. Premium LED illumination and vibrant colors from a light just 3.5 inches long.

Add visual excitement

Be creative with horizontal or vertical installation in water as shallow as four inches. Add visual excitement to steps, sun shelves, swimouts and water features.

Versatile upgrade for fiber-optic lighting

Suitable for retrofit into many pools with older fiber-optic systems.

Fits where others don't

Fits into narrow walls and tight spaces for ultimate design and lighting flexibility.

Efficient, brilliant light

Energy-saving, money-saving LED efficiency from the industry's most compact 12V LED plastic light.

Installs in any standard 1.5-inch pool wall fitting

Fast and simple for professional installation. No niche required.

Great colors

Syncs with Pentair GloBrite® and IntelliBrite® 5G fixed colors and color shows.

Outstanding light quality

No shadows or hot spots. Uniform color and brilliance.

Ready for show time

Connects to any Pentair automation system and the Pentair IntelliBrite® Controller.

Long lasting

10X the life of incandescent light.

AVAILABLE FROM:

The MicroBrite Color and White LED Light has earned the Eco Select® brand distinction as one of the greenest and most efficient choices from Pentair.

TRADEGRADE

The TradeGrade family of products is exclusively made for and sold by the world's most demanding pool professionals.
